Hi E

Again let me say I appreciate your work on the Motion, but I have not seen it yet, and will not until at least Monday or Tuesday, which leave us less that 8 days, which mean, that my input again will not takken, and the motions is yours and not mine, I am sorry to sound biter, but I do not believe that you will visit me twice before submitting and we can make any correction, and I do not believe that you will contact any of the 5 witnesses that can witness about Celani, although the only reason why I continued was that YOU UNEQUIVOCALLY PROMISED that this will not happen this time.

I realized that you are excited about the 90 pages that you did, and I am sure it is great, but since I am going to spent the rest of my life in prison as it looks right now, I HAD EVERY RIGHT TO HAVE AN INPUT, this is not right.

I am printing all the emails to I can get a packet to submit for the record for my appeal, and I noticed that I asked for the proffer report to printed about 23 times, you agreed 18 time, maybe I was asking for too much

Would you please let me know, since you are my only link to my legal documents, what is the official procedure for me to get a copy what you have? including all your communication with my prosecutor. I am told that if it is not on the record that I can not bring it up, so I suppose,

Hi E,

By submission, do you mean sentencing memorandum? I hope to god not. LET LET ME KNOW ASAP.

And PSR is filled with factual errors that you would have no way of knowing, for example, I never applied to citizenship, and my green card was awarded after my marriages, after a full motion fight.

THERE HAS BEEN DEVELOPMENTS YOU ARE NOT AWARE OF.

IT IS NOT A MATTER OF TRUST, I AM JUST GETTING SICK AND TIRED OF BEING LIED TO, OVER AND OVER AND OVER AGAIN, I TOLD YOU LAST TIME, IF YOU WILL NOT SEE ME BEFORE SUBMISSION JUST SAY SO AND I WOULD GO PRO SAY OF GET ANOTHER OPTION.

I CAN NOT BELIVE THIS, I FOLLOWED YOU AGAIN AND AGAIN.

IT IS MY STUPIDITY FOR LETTING YOU BREAK A PROMISE AFTER PROMISE TO ME.
